

A Morality Lesson

Ode To A Tough Guy

Well folks, I'd like to tell you about someone quite sad that I used to know! His name was "Billie" and....well, uh, oh well_____

Billie was a bull!

A big, young bull was Billie

And Billie The Bull was also a bully

A Bully was Billie The Bull

Now Billie The Bull had been bullied

Bullied when he was young

And that's how Billie The Bull learned to bully

By being bullied by older and tougher bullies

Who enjoyed bullying Billie The Bull

(And not just when he was young)!

So my friends, a "Warning" I will now issue

To all "FUTURE BULLIES ", not just those like

Billie The Bull !

This "Warning" is also the "Moral" of this story

And indeed it's quite easy to learn and to follow

***If You Want To Spend A Lifetime
Without Benefit Of Friends Or Even A Spouse,
Then All You Need To Do Is Be Exactly Like Billie
(“ AND MAN THAT AIN ‘T NO BULL”)!!!***
